"A Rate Book—In this book shall be inserted the particulars of the assessment and collection of the Poor Rates of the Parish, as set forth in the form of Rate Book; and in addition to the declaration required by the Union Assessment Committee Act, 1862, or any Act amending the same, where the Valuation List for the Parish shall have been finally approved of, and elsewhere in addition to the declaration required by the Statute 6 and 7 Will. (a.) The several columns of the Rate Book which contain the gross estimated rental and rateable value, and the Rate in the pound assessed upon the several persons liable to be assessed, the recoverable arrears, and the total amount to be collected, shall be added up at the foot of every page, and the several totals shall be ascertained and set forth at the foot of the Rate, before the same shall be submitted to the Justices for their allowance.

(b.) If the Overseers shall deem it convenient, the Rate may be divided into several portions, corresponding with the several divisions of the Parish, if any, so as to bring all the rateable property of each division together, and there may be separate series of numbers for the assessments in every division, and they may, in like manner, bring together in the Rate separate classes of rateable property.

(c.) The Overseers may, if they think proper, bring together and assess under one number all or any portion of the properties situated in the Parish, or in any separate division thereof, if there be any, belonging to the same person, and for which he shall be liable to be assessed as Owner.
