Municipal Corp<sup>ns</sup>.

Dear Sir,

In reply to yours of the 10<sup>th</sup> inst. we beg to state that the Report of the Commissioners was issued in 1880. in a volume. price 1/10. and then there was a second volume published a little later in the same year. containing the evidence upon which their Report was founded.

This no doubt is the book you require. its cost would be 9<sup>d</sup>/<sub>6</sub>. but these prices are without postage. which we should think would be 1/ extra.

Yours faithfully  
W. J. Bailey & Co. Cyse & Spottiswoode
