See Form A

Owing to provision having been made for 100 persons more than actually partook of tea a considerable amount of provisions was left over, viz:-

40 lbs of Cake

2 Gallons of Bread (Buttered)

2 lbs Sugar

2½ Gallons of Milk

Had there been 400 to Tea, as provided for, there would not have been very much left over

The spare Cake & Bread & Butter was taken to the Sports Field in the evening & enjoyed by the children, also adults. A certain quantity was still left over & this was equally divided between the two Elementary Schools for the Scholars Lunch yesterday.
