F.W.Taylor, Esqre.
Engineer & Secretary.
Ryde Gaslight Coy.
Ryde.

Dear Mr Taylor,

Jubilee Celebrations.

The Tea Committee have been considering the matter of Water Heating in connection with the Tea which is to be given to about 700 Adults and Children on 6th of May.

I have offered to loan our Gas Copper at the Church if it is possible for it to be disconnected there and a connection made at the Town Hall Kitchen.

Will you please be kind enough to say if it is possible for this to be done.

I believe another has been offered but that is not my concern, I am under the impression this one is suggested for the Church Hall which we are also using. I shall be very glad to know if anything can be done in the direction named.

Thanking you,

Yours faithfully,
