

Big to ask: receipt of  
your letter of 2<sup>nd</sup> inst. and to say  
that I laid the same before an  
informal meeting of the Trustees  
held last evening.

The Trustees decided  
to view the premises and to report  
at their next meeting <sup>where it is</sup>  
hoped that some means will be  
~~effected that everything will be~~  
found to stop the nuisance  
~~done to over some the nuisance~~  
~~drafting~~ explained to which  
obligation has been drawn on
