In reply to your letter of the 25<sup>th</sup> inst. addressed to our Chairman (Mr H K Day) I beg to say that this was considered by the Trustees at their meeting on Wednesday last & it was unanimously agreed to ~~grant~~ <sup>propose</sup> permission for the Board to be erected as desired during the pleasure of the Trust & subject to the Board being kept in proper condition.

If you will therefore kindly submit a sketch of the same to the Chairman the necessary authority will be given.

As the gate at the entrance is kept locked it will be necessary for you to make arrangements with the Hall keeper as to admittance.
