Notes.—Income Tax, Schedule A:—

(1) Where the tax is paid by a tenant occupier, the landlord is bound under a penalty of £50 to allow, on production of this Receipt, out of the *first* payment made on account of Rent after the date of the receipt, the amount of Income Tax actually paid under Schedule A, up to an amount not exceeding for the whole year the amount of the tax on the Rent payable for the year at the rate or rates of tax paid in respect of such Rent.

(2) Where a property is subject to the payment of any annual charge (whether at half-yearly intervals or otherwise), the rate at which tax is deductible from such payment is the standard rate for the Income Tax year in which the payment becomes due.

(3) Repairs.—Where the cost of maintenance, repairs, insurance and management of any lands or houses, according to the average of the preceding five years, exceeds the allowance for repairs already granted in the assessment, a further allowance may normally be claimed by the owner. Further information can be obtained, if desired, on application to the Inspector of Taxes, whose address will be furnished by the Collector on request.
