Dear Sir,

Brading Town Trust.

High Street Premises owned by the late Mr. Richard Harper.

Our client, Mrs. Julia Harper, widow of the late Mr. Richard Harper and Executrix of his Will, desires to assign to Miss Bertha Elizabeth Wetherick the leasehold property situate in the High Street at the corner of Doctors Lane, which Mr. Harper held of the Brading Town Trust at a Ground Rent of £1. a year.

The Lease of this property contains a covenant that the consent of the Landlords to any Assignment must be obtained. We notice that when Mr. Harper bought the property the License to assign was given by the Chairman and Vice-Chairman of the Brading Town Trust, and we have therefore prepared the License to assign by the present Chairman and Vice-Chairman, and shall be obliged to you if you will arrange for this License to be signed and returned to us at your earliest convenience.

We enclose a stamped addressed envelope for the return of the License in due course.

Yours faithfully,

David Pryke, Esq.,
Clerk to the Brading Town Trust,
