Dear Sir

Use of old Town Hall by this
Council.

Referring to our interview on above subject, I have laid the matter before my Council, & am directed to say in reply, they have no authority to incur expenditure for the use of a room for their meetings, where a rate-aided building, such as a school, exists, however, seeing it would be impossible to use the Council School, without infringing the lighting regulations, my Council will be quite willing to pay the sum of 2/- (Two shillings) per meeting for Lighting & Skating of the stall during ^{the year} I have also to offer the thanks of my Council, to your Trust, for having, for so long a time, allowed the free use of the stall

I am dear Sir
Yours faithfully
