Dear Sir

I have read the speech
referred to in yours of the 4th inst
and have no doubt but the Govern^t
will at once take from all Court
Justs all the Judicial power they
possess and we necessary oblige
them to accept local Government
Boards. Sir C. O'Connell might
as well have stated the truth
with regard to poor old Bawling
dinner on Wednesday at 6 O'Clock
shall be at your service when you
come.

Yours truly &c

P. M. W. Bailey
