Sandown Str.

25th April 1871

Sir
Mrs Jolliffe has consulted us
with reference to an encroachment on
her property at Brading which you
have made by erecting a building
immediately adjoining her house
and upon her property and unless
such Building is removed immedi-
ately our instructions are to issue process
against you, but which we trust
you will not oblige us to do.

Yours obediently
Stearns & Fardell

Mr Henry Simmonds
