

I delayed answering your long &  
interesting letter ~~and now~~  
I ~~do so until~~ until after  
we had had a meeting of the Trust  
and now that I do so  
it can only be a brief note  
as I am at home feeling  
very seedy -

The Trust fully appreciated  
the course you have ~~adopted~~<sup>taken</sup>  
and passed a ~~formal~~ resolution  
approving - and it was arranged  
to keep the office open<sup>to</sup>  
continue your salary -  
The members doing the work  
between them - - -

I have a cheque £1. 11. 6 for the  
1<sup>st</sup> quarter. - please let me know  
where I shall send this -
